

Clean Room #095 – Speciality Mat

Features and Benefits

- Clean Room mat traps impurities in areas that require dust and dirt control.
- The tacky surface pulls dirt and dust off shoe soles before they can contaminate a "clean room".
- Effective and easy to use, each mat has 30 sheets of tough film laminated together in a stack.
- Once the top film is contaminated, simply pull it off and discard.
- Clean Room mat offers economical dirt control on low-profile carpet, tile or concrete surfaces.
