

Waterhog Eco Elite Roll Goods #2271

Entrance Mat – 10mm thick

Features and Benefits

- Versatile "roll good" design is flexible to use. Great for large entrance area installation and custom cut applications.
- Unique ridged construction effectively removes and traps dirt and moisture. Protects the floor and entry way.
- Exclusive rubber-reinforced face nubs prevent pile from crushing, ensuring maximum product performance life and appearance retention.
- Premium anti-static 100% polypropylene fibre system will not fade or rot. Provides slip-resistant surface even when wet.
- Cleans easily and dries fast. Safety bevelled edging.
- Green friendly rubber backing has 20% recycled rubber content.
- All Waterhog mats are certified slip resistant by the National Floor Safety Institute.
- Tested by the CSIRO.
