

# 24/7 Solid Nitrile Rubber #245

## Wet Area Anti-Fatigue Mat

### Features and Benefits

- This mat will keep employees comfortable 24/7.
- This exceptional value mat is a convenient 900mm x 900mm workstation size.
- Its hidden interlocking system connects on all four sides creating large mats without additional connectors.
- 16mm thick, it's substantial in design and very comfortable.
- The unique 100% nitrile rubber compound is resistant to most chemicals.
- Black and yellow safety borders are available.
- 100% nitrile compound (NBR) - for use around petroleum-based fluids

### Customised Mats

If you have special contours or a large size, let us make it for you. Customised sizes of 24/Seven Holes mats are permanently locked together. The mats can be cut at 300mm increments and customisation is only limited by weight and shipping requirements.
