

DIAMOND PLATE GEL MAT

ANTI-FATIGUE MAT

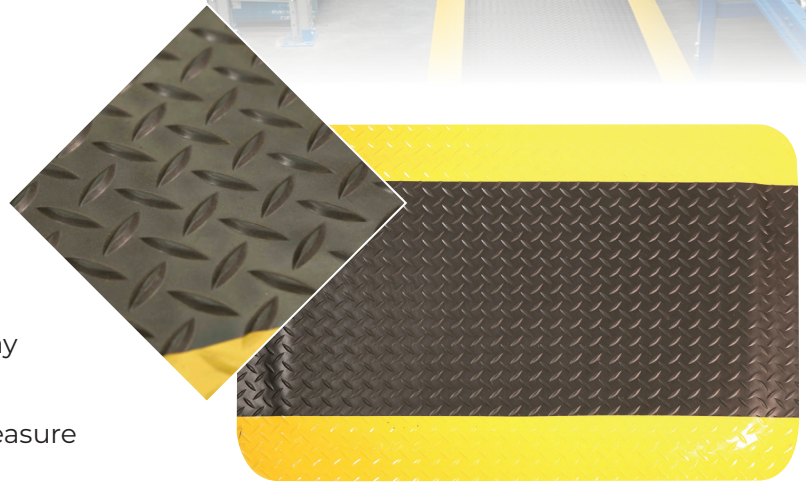

This extremely popular anti-fatigue mat provides exceptional comfort, longevity and safety.

The resilient sponge base defines the mat by providing true comfort, to enhance productivity and mood where standing for long periods is required.

FEATURES & BENEFITS

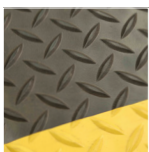

- Rugged, durable, and boasting a 4mm vinyl skin surface
- An embossed diamond pattern that actively prevents slips
- Top surface bonded to 12mm buoyant EVA non-slip backing
- Features bright, built-in yellow borders along both edges that are also bevelled to reduce the chance of trips
- Has a unique, bonded, slip resisting EVA underlay as standard, that minimises mat movement
- Available in standard sizes, rolls and made to measure
