

SAFETY GRIP TUBULAR MAT

ANTI-FATIGUE MAT / WET AREA

Tubular cushion tread matting.

Our **Safety Grip Tubular Mat** is manufactured from extremely strong and hard wearing non-toxic food grade PVC. It's tubular top surface and under-bars are designed to create maximum cushion comfort underfoot.

FEATURES & BENEFITS

- Excellent anti-fatigue properties with a textured slip-resistant surface
- Hygienic, non-porous and easy to clean
- Grid design allows liquids or spillage to drain through
- Chemical, oil, alcohol and flame resistant
- Suitable for anti-bacterial sanitising sprays to stop the growth of bacteria
- Offers insulation from cold or damp floors
- UV resistant & extremely hard wearing
- Prevents glass breakages and improves safety
- Keeps feet dry in wet environments
- Good sound reducing properties
- Contours to uneven floors
- Australian Made
